Subject: Decision regarding JECT-25-77R1

Nov 14, 2025

RE: JECT-25-77R1,
"Efficacy and tolerability of low-field magnetic stimulation for treatment of depressive disorder: A systematic review and meta-analysis of randomized sham-controlled studies"

Dear Dr Sharma,

I am pleased to inform you that the above-referenced manuscript has been accepted for publication in The Journal of ECT.

All manuscript materials are being forwarded to the production staff for placement in an upcoming issue. You will receive the page proof of your article in approximately 6-8 weeks.

OPEN ACCESS

If you indicated in the revision stage that you would like your submission, if accepted, to be made open access, please go directly to step 2. If you have not yet indicated that you would like your accepted article to be open access, please follow the steps below to complete the process:

1. Notify the journal office via email that you would like this article to be available open access. Please send your Email to emily.hurd@wolterskluwer.com. Please include your article title and manuscript number.
2. A License to Publish (LTP) form must be completed for your submission to be made available open access. Please download the form from <http://links.lww.com/LWW-ES/A49>, sign it, and Email the completed form to the journal office.
3. You will be receiving an Open Access Publication Charge letter from the Journal's Publisher, Wolters Kluwer, with instructions on how to submit any open access charges. The email will be from no-reply@copyright.com with the subject line 'Please Submit Your Open Access Article Publication Charge(s)'. **Please complete payment of the Open Access charges within 48 hours of receipt.**

Thank you for your contribution to The Journal of ECT.

Kind regards,

Randall T. Espinoza
Editor-in-Chief
